

Nursery Update - April

2016

Firstly I hope that you all had a lovely Easter- the children really enjoyed taking part in all of our Easter themed activities, especially the Easter Egg Hunt (:

We have now introduced Home Learning Packs in all of the rooms and hope that the children enjoy these. Please do give us feedback as this really helps us to come up with new ideas for new packs in the near future. Inside the learning packs you will find a yellow observation slip, which you can observe your child as this will help us with the child's development outside the nursery setting. Please remember to bring the packs back to nursery, thank you.

Zoo lab will be coming to see the two year olds and pre-schoolers on Tuesday the 26th of April. The children will be told a Gruffalo themed story which the animals are included in. At the end of the story the children will then get a chance to hold the animals if they would like to. We will be taking lots of group photos and individual photos so please feel free to request an individual picture of your child if you wish (:

Next steps- Please feel free to speak to your key worker about next steps on your child's development.

Message from Toddlers and Preschool:

- Any empty boxes, cartons for their junk modelling and home environment corner.
- Can we please have up to date photos for their family book, you can email these photos if you haven't got time to print them off.
- Please speak to your key worker about your child's water bottle as we do sterilise them but some do need replacing due to general wear and tear.
- As the children do not wear shoes inside the nursery, you are allowed to bring in slippers for your child to wear throughout the day.

Reminders:

Please remember to collect **Sainsbury's active kid's** vouchers! Please give any vouchers to a staff member; we will have a box situated in the front entrance when it arrives from Sainsbury's!

Please ensure that if for any reason your child's dietary requirements change, please let us know via email 😊

We are kindly asking if anyone has any old kitchen utensils, to bring them in for our mud kitchen. This would be very much appreciated!

Inset Days:

Monday the 19th of September

Friday the 23rd of December

Kindest Regards

Megan & the Nursery Team
