

Nursery Update -February 2016

We would like to start by saying thank you all for making it to our parents evening! We all found it so lovely and beneficial to have one to one time with you all. Please always remember that we are always available for any chats or updates on your child's development and next steps.

We will be reviewing questionnaires as soon as possible, and will of course provide you with feedback from these as we find them a very useful tool to continue to improve our Nursery and the service we provide for you. ☺ If you still have questionnaires to return please pop them in.

Just to mention, that we have had a few requests from the children to take their shoes off whilst they are indoors. We are kindly asking if you could please provide a pair of named nursery slippers to keep here, this would be very much appreciated.

We will now be collecting vouchers for **Sainsbury's active kids** please feel free to collect as many vouchers for us as possible, we will be putting the vouchers to new garden resources when the deadline date comes (: Thanks in advance! Please give any vouchers to a staff member; we will have a box situated in the front entrance when it arrives from Sainsbury's!

Some exciting garden developments: Just to let you know that we will be adding many new garden resources and activities for the outdoors over the coming weekend! Although we take any activity outside we are looking forward to having new cars, activities and lots of games to play ... we are also having our very own outdoor "mud kitchen" made so we are looking forward to getting creative with mud pies very soon ☺

Reminders:

We always welcome families to bring in pictures of their child's family, favourite things or something special - it's great to have these in nursery, creating a home from home feel. If you still haven't popped in photos for your child please do so, we make small family books and pop them in our reading area and it would be lovely if every child had one ☐

Of course - updates of these are always welcome so any new pics would also be appreciated that we can add to an existing book!

When collecting your child can you please ensure that you are signing your child in and out and communicating with a member of staff. It is for your child's safety that you sign them out of the register, Thankyou in advance

If for any reason your child's dietary requirements change, please be sure that you let us know via email ☺

All rooms are really grateful for any recycling and unwanted items for their home corners and role play areas. Thank you ☺

You should have all received an email with reference to change of bank details for us, if you have not for any reason, please let us know asap so we can provide you with details.

Inset Days: We haven't forgotten - we are in final process of confirming these and will send these dates out ASAP, Thanks for your patience!

For our term time only children **Half term dates:** W/C 15th February (return to Nursery Monday 22nd February)

Kindest Regards

Megan & The Nursery Team
