

Nursery Update – June 2015

We wanted to start by thanking you all so much for making an effort to attend our first scheduled parents evening during May. It was great to see so many of you, and has been great to receive so much feedback from returned general and parents evening feedback questionnaires.

If you are still to return your questionnaires, please do pop them back they are extremely valuable to us. We will be reviewing comments and suggestions over the next couple of weeks and will of course give you feedback from the results and anything we are implementing as a result. If you need another questionnaire to complete please just let us know.

We do have to send out a Thank you to those of you who have given such lovely and positive comments – we are very happy that you are happy and most importantly so is your child. We really feel part of your families now and are privileged to be involved with your child's earliest education and play.

School leavers

For those of you who will have little ones who are off to School this September we would really appreciate it if you could drop us a quick email or let your child's key person know which school they will be attending. Just a little reminder that we do require four weeks notice to leave us so please make sure you let us know, and of course if you know an advanced date that your child will be leaving for their next big adventure then please let us know. – We would ask for any notice to be given in writing.

We hope you are all finding the staff board helpful in the main entrance – we nearly have a completed team, with just another one or two to join to make us fully staffed now the nursery is really busy. We do have a lovely young lady called La-Toya joining us in early June and we are very excited to have her starting with us. La-Toya has her foundation degree in Early Years and previous experience in nursery settings; she is very confident and is already looking forward to introducing herself to you in good time. We will of course get her picture and details up on the staff board as she settles in with us.

Final scheduled Inset Day 2015

Reminder Date for your diary's – we are closed to children 24th December 2015. As in previous communications we hope planning this on this date will cause as little disruption to you as possible. Thank you in advance for your understanding.

Police Visit

We will be having a visit from our local police on 7th July 2015 who will be coming in to speak to our children about safety including road safety – we will be gaining your consent to take the children off premises briefly to see the police car and speak about road sense. We have asked them to supply us with some leaflets for parents, to which we hope you find these beneficial.

Thank you In advance for taking the time to read our latest newsletter.

Kindest Regards,

Natalie, Megan & The Nursery Team
