

Nursery Update-May

2016

We would just like to say how much fun the children had when zoo lab came to visit us! The children gained so much out of this and lots of their activities will be based around the animals that they saw and even handled (: We took lots of pictures- look out for these they will be on our Facebook page and in our zoo Lab book. You are also more than welcome to request an individual photo of your child if one has been taken. Zoo lab will be coming back in October for a Meg and Mog themed visit, with lots of new animals!

If you haven't seen our face book page please do have a look - it's a lovely place to share what we have been doing: The Gingerbread House Day Nursery

We have booked a photographer to come in on Tuesday 5th July, to take professional photos of all the children. If your child does not attend this day you are more than welcome to bring your child in for a photo. We will let you know nearer the time, what time to come in. We thought this would be a nice idea especially for our new starters and our pre-schoolers leaving us to go to school ☺

With regards to those of you that are leaving for school just a quick reminder that we do require 4 weeks written notice for when you are leaving ☺

We have had lots of new family book photos this month and would like to thank you all for these (:

Unfortunately we are going to be saying good bye and good luck to Rebecca! We will all miss her very much and wish her all the best of luck in her new adventure, her last day with us will be Friday 13th May. We are currently recruiting a new staff member this will be announced when possible. If Rebecca is your child's key worker please speak to Sam.

Gentle Reminders

Please if you have any empty boxes, cartons, cans for the children's junk modelling and home environment corner then that would be great!

Thank you for all of your **Sainsbury's active kid's** vouchers! We now have quite a few but please continue to give any vouchers to a staff member. Also we now have a box situated in the front entrance for the vouchers to go in (:

Sun cream and sun hats: As the weather is getting nicer we are going to start asking for creams and hats to be provided, please do make sure they are both named (:

Inset Days:

Monday the 19th of September

Friday the 23rd of December

Kindest Regards

Megan & the Nursery Team
