

### Nursery Update - November 2015

This month staff will be carrying out Firework themed activities in all rooms.

If your child has experienced any firework displays, we would love some pictures so that the children can learn and discuss their experiences together at circle times (:

Pre-school have introduced Home learning packs, the children will be taking it in turns to take a pack home. We encourage this but please remember that they are optional.

Preschool have provided a wellington box and shoe box to save any confusion, if your child has footwear that they would like taken off can you support us by encouraging your child to put their shoes in the correct box.

Our Christmas fayre will be on Saturday the 5<sup>th</sup> of December. This will be a chance for you to bond with staff and other parents and get to also get involved in some Christmas fun.

Posters will be around the setting to provide more information.

We will also be having a Christmas jumper day on Wednesday the 2nd of December where staff and children will be coming to nursery in their festive jumpers. We are kindly asking staff and parents if they would like to donate a small something towards our tombola for the Christmas fayre. This can be anything of your choice and it would be very much appreciated.

We would like to inform you that Tanesha from the toddler room will sadly be leaving us on Thursday the 26<sup>th</sup> of November. Tanesha has been an asset to our team and will be missed by us all, but we wish her all the luck in her new adventure. Please if you have any questions please speak with Sam or Tanesha.

Sam and I will be disusing key workers and any changes will be discussed with you.

**Reminders:**

Please take note that the tea we provide for the children in the setting is only a light tea, to see your child through until home time. We always encourage your child to be given the option of dinner when they get home.

Pre-school Book Library: please ensure that you ask a member of staff before taking a book home as the books need to be signed out. Please when bringing the books back make sure that they are being signed back in.

Buggy's - please can we ask that all parents/carers don't leave their buggies in the main entrance. As we are busy now we want to ensure you and your little ones have as much space as possible at collection and drop off times. We do have buggy store facilities and would kindly request that these are used from now on. If you do not know where the facilities and key are, please do not hesitate to ask Sam or another member of Toddler staff.

Please remember that we do close at 6.00pm and we would love to be able to give you a detailed handover and tell you about your child's day with us. In order to do this we would ask you to ensure you are here ten minutes before 6.00pm. We will be handing out late slips for parents that arrive beyond 6.00pm thank you in advance!

Please continue to provide us with the appropriate clothing for your child so that they can go outside in all weathers.

A gentle reminder to please check your child's peg when picking up to ensure that there aren't any dirty clothes left by mistake.

If you have been handed an update sheet for your child, please remember to bring them back to us as these will be kept in your child's learning journal.

Kindest Regards

Megan & The Nursey Team
