

Nursery Update-October

2016

Autumn is here and we have lots of fun activities planned, please look out for lots of pictures (:

Upcoming Parents Evening: 19th October, Please find time sheets on doors of the rooms. If you need any assistance with this then please do not hesitate to let us know.

We would really appreciate any donations of unwanted books, or clothing etc. Although we have lots of story time books, we love to have a variety of books accessible to children at all times, if anyone has any that are now grown out of we would really love to put them to good use and give them a second home ☺ Any spares for clothing that we can use are always helpful, and a gentle reminder that if any one has any of our spares floating around at home please pop them back in to any member of staff ☺

We would also like to kindly ask our parents whether they would be able to do a quick review of our nursery online as we haven't got any as of yet ☺ We would really appreciate it, this gives new parents a chance to get a feel from a parents point of view. There are many ways in which you can give us a review - our Face book page: The Ginger Bread House Day Nursery, our website;

www.th Gingerbread House Day Nursery or on netmums;

Good news! Maddy will be returning to The Gingerbread House on the 17th October, We have become slightly busier now, so we are all very excited to have her back on the team! I'm sure the majority of you will remember her, for those of you who don't - she is lovely and will of course get to know you in due course.

Reminders

If possible, can we kindly ask that we keep an eye on the lengths of our children's nails as we have found recently that the children are accidentally catching each other during play. Thank you in advance ☺

Please can we ask that if your nursery session doesn't begin until 8am, that this is the time your child is brought in as we are unable follow our breakfast club ratios. Please understand that if your child is not attending breakfast club that we will enforce them not coming in until 8am. This is for their safety to ensure staffing ratios.

If your child does not attend nursery due to sickness or holidays ect, we are kindly asking that you communicate this to a relevant staff member just so we can be aware.

Please fill out and return your parental questionnaires, when we have them all back Croydon best start will be collecting them. They really appreciate your feedback and time so thank you in advance.

Don't forget: Inset Days:

Friday the 23rd of December

Kindest Regards
